5th Tanta International Meeting

on

ADVANCED OTOLARYNGOLOGY

January 18th – 21st, 2007

- *January 18th – 19th, 2007: Scientific Sessions*
(Cairo Sheraton Hotel)

- *January 20th – 21st, 2007: Live Surgery*
(Tanta University Hospital, E.N.T Dept.)

Welcome Message

On behalf of the organizing committee of Tanta 5th international meeting, we welcome you all attending and participating in this hopeful scientific event. This meeting will start by the scientific presentations in its first two days in Cairo- Sheraton hotel. Then it will be followed by another two days of live surgeries at Tanta university hospital to demonstrate the recent advances in our specialty to our post graduate colleagues.

We hope it will be a very beneficial meeting that will enhance the continuous medical education and will improve our skills in surgery.

We would like to thank our eminent international guests who are participating in this and supporting international scientific activity. We appreciate the great support of Prof. Abdel Fattah Sadakah, president of Tanta University and the great help of Prof. Shawky El-Abd, Dean of Tanta Faculty of Medicine.

Never do we forget the toll of our Prof. Hassan Mostafa, the founder of our department.

Lastly we thank you all and wish you a fruitful meeting.

*Prof. M. Adel Khalifa
Vice President of Tanta University
Secretary General*

*Prof. Mahmoud Hagraas
Head of Otorhinolaryngology
Depart., Tanta University
President*

*Prof. Ahmed Gamea
Prof of Otorhinolaryngology
Moderator*

Organizing Committee:

- Prof. Medhat Heshmat
- Prof. Abdel Hamid El Shintenawy
- Prof. Hesham Hamad
- Prof. Mahmoud Abdel Aziz
- Prof. Hossam Romih
- Prof. Mohamed El Shikh
- Ass.Prof. Abu Bakr El Behairy
- Dr. Mohamed Reda
- Dr. Hanaa Hussien
- Dr. Hassan Hegazy

Scientific Committee:

- Prof. Ahmed Samy
- Prof. Yasser Aglan
- Prof. Fathi Erfan
- Prof. Mohamed Askar
- Prof. Trandil El Mahalawy
- Ass.Prof. Inas Kolkila
- Ass.Prof. Afaf Omara
- Dr. Sameh Ragab
- Dr. Magdy Eissa
- Dr. Ossama El Bermawy

Memorial

Honoring the Names of Late Professors:

Prof. Dr. Nabil Doghiem
Staff Member, Tanta ORL Department 1977-1983

Prof. Dr. Salem Abd Elattif
Staff Member Tanta ORL Department 1970-1988
Chairman of Tanta ORL Department 1978-1988

Prof. Dr. Ibrahim Raffat Moustafa
Staff Member Tanta ORL Department 1981—2006

Prof. Dr. Sayed Gamil EL-Sherif
Staff Member ORL Tanta Department 1981-2006

Invited International Guests

Prof. Pawel Jastreboff	<i>(USA)</i>
Prof. Ihab Hana	<i>(USA)</i>
Prof. Alan Micco	<i>(USA)</i>
Prof. Dharmbir. S. Sethi	<i>(Singapore)</i>
Prof. Jean Silvian Lacroix	<i>(Switzerland)</i>
Prof. Chris Aldern	<i>(Ireland)</i>

Faculty

Prof. Abou Baker Behairy	Prof. Osama Abdel-Hamid
Prof. Aly Tawfik	Prof. Osama Albirmawy
Prof. Dalia Hassan	Prof. Pretty Omar
Prof. Mohamed Askar	Prof. Reda Kamel
Prof. Mohamed Attia	Prof. Sameh Farid
Prof. Mohamed Reda	Prof. Tarek Ghanoum
Prof. Nadia Kamal	

Thursday January 18, 2007

08:00-09:00am: Registration

09:00–11:30 am
Session (I): Endoscopic Surgery (Hall A)

Chairpersons: Magid El Shennawy
Ahmed Alaam
Fathi Erfan

09:00–09:20: Preoperative evaluation and medical care
before Endoscopic sinus surgery
J. Lacroix

09:20–09:50: Preoperative check list of the C.T. scan before
FESS
J. Lacroix

09:50–10:20: Review of the multiple endoscopic sinus
surgery procedures
J. Lacroix

10:20–11:20: Endoscopic skull base approaches
Ehab Hanna

11:20–11:30: Discussion

11:30–12:00: Coffee Break

Thursday January 18, 2007

09:30am-11:30pm
Audiology(1) (Hall B)

Chairpersons: Salah Soliman
Sameh Farid
Mona Mourad

09:30-09:45: Short introduction on tinnitus (including
your tinnitus model)
Jastreboff, P., Jastreboff M.

09:45-10:00: General management of tinnitus
Jastreboff, P., Jastreboff M.

10:00-10:25: Theoretical basis of TRT
Jastreboff P., Jastreboff M.

10:25-10:50: Cultural and social impact on tinnitus
management
Nadia Kamal, Dalia Hassan, Pretty Omar

10:50-11:05: TRT: Treatment outcome
Tarek Ghanoum

11:05-11:30: Panel discussion
Moderator: *Nadia Kamal*
Panelists:
Jastreboff P.
Jastreboff M.
Sameh Farid
Tarek Ghanoum

Thursday January 18, 2007

12:00–12:30pm
Opening Ceremony

Moderator: Prof. Ahmed Gamea

Speakers:

- Prof. Mahmoud Hagraas
President
- Prof. M. Adel Khalifa
Secretary General
- Prof. Shawki El Abd
Dean of Tanta Faculty of Medicine
- Prof. Magid El Shennawy
President of Egyptian ORL Society
- Prof. Abdel Fattah Sadakah
President of Tanta University

Thursday January 18, 2007

12:30–02:30 pm
Session (II): Otology (Hall A)

Chairpersons: Hassan Mostafa
M. Chafik Khalifa
Walaa Abu Sheleib

12:30–01:00: Chronic ear surgery
A. Micco

01:00–01:20: Otoendoscopy
C. Aldren

01:20–01:45: Stapedectomy
A. Micco

01:45–02:10: Ossiculoplasty
C. Aldren

02:10–02:15: Discussion

02:15–02:30: Aventis Symposium
Moderator: *Mohamed Nasser El Sheikh*

02:30–03:30: Lunch

Thursday January 18, 2007

12:30–02:30 pm
Audiology(II) (Hall B)

Chairpersons:

Somia Tawfik

Abdel Hamid El Shentinawy

12:30-02:00: Clinical implementation of TRT
Jastreboff P., Jastreboff M.

02:00-02:20: TRT New hope for tinnitus patients
Jastreboff P., Jastreboff M.

02:20-02:30: Noise generator

02:30–03:30: Lunch

03:30–06:00 pm
Session(III): Free Papers

Chairpersons: Aziz Belal
Zohier El Hoshy
Ahmed Sami El Gundi

03:30–03:45: CO2 Laser in treatment of glottic cancer
Osama Abdel-Hamid

03:45–04:30: Open approach to skull base
Ehab Hanna

04:30–04:50: Endoscopic sinus surgery in mucocele
J. Lacroix

04:50–05:05: Endoscopic DCR
Reda Kamel

05:05–05:30: Revision stapes surgery
C. Aldren

05:30–05:45: Facts in practice of forensic
otorhinolaryngology
M. Attia

05:45–06:00: Discussion

Friday January 19, 2007

8:30 – 9:00 am
Morning Minicourse: Fungal Rhinosinusitis
J. Lacroix
Chairperson: *Hossam Romieh*

09:00–11:50am
Session (I): Free Papers

Chairpersons: Yakout Ghoneim
Mohamed El Shammaa
Mahmoud Abdel Aziz

09:00–09:15: Sternocleidomastoid muscle collar flap
Osama Albirmawy

09:15–09:30: Open versus endoscopic approaches for
angiofibroma- Controversies and limitations
Aly Tawfik

09:30–09:45: The management of snoring patients
M. Reda

09:45–10:15: Surgery for salivary glands tumors
Ehab Hanna

10:15–10:45: Implantable hearing devices
A. Micco

10:45–11:05: Mastoid obliteration
C. Aldren

11:05–11:25: Cochlear implantation
A. Micco

Friday January 19, 2007

- 11:25 – 11:35 Cartilage tympanoplasty utilizing Kerr
 technique in anterior marginal and total
 perforations
 Abou Baker Behairy
- 11:35 – 11:45: Discussion
- 11:45 – 11:55: Solvey Symposium

11:55 – 01:00: Coffee Break & Friday Pray

01:00–02:30 pm
Session(II): Free Papers

Chairpersons: Aly Tawfik
Abdel Latif El Rashiedy
Hesham Hamad

01:00–01:20: Basic FESS technique
D.S. Sethi

01:20–01:40: Challenge in frontal recess surgery
D.S. Sethi

01:40–01:55: Endoscopic frontal sinus surgery:
Update of clinical anatomy & surgical
technique
M. Askar

01:55–02:20: Endoscopic repair of CSF leak
D.S. Sethi

02:20–02:30: Discussion

02:30–03:30: Lunch

03:30–06:00 pm
Session (III): Endoscopic Surgery

Chairpersons: Abdel Zahier Tantawy
Hassan Alaam
Yasser Aglan

03:30–04:00: Endoscopic pituitary surgery
D.S. Sethi

04:00–04:30: Endoscopic surgery for sinonasal
tumors
D.S. Sethi

04:30–05:00: Sphenoid Sinus: pathology &
approaches
D.S. Sethi

05:00–05:30: Situations & solutions in
endoscopic sinus surgery
D.S. Sethi

05:30–05:45: Discussion

05:45–06:00: Closing Ceremony

Live Surgery - Minicourses
Jan. 20 - 21th 2007
Venue: ENT Dept - Tanta University Hospitals

- Live Surgery:

- Rhinology Surgeons: *D.S. Sethi*
J. Lacroix

- FESS
- Sphenopalatine artery ligation
- CSF leak closure
- Hypophysectomy

Otology Surgeons: *C. Aldern*
A. Micco

- Tympanoplasty
- Ossicular reconstruction
- Stapedectomy
- Facial nerve surgery

Minicourses:

- Basic FESS
- Advanced FESS
- Nasal valve surgery
- Ossiculoplasty
- Tympanoplasty

EMLU Project Bulletin
First Year Report

(Enhanced Multimedia Learning Unit in the ENT Dept.
(Tanta University))

Project Manager
Prof. M. Adel Khalifa
*Prof of Otorhinolaryngology & Vice President
for Graduate Studies & Research
Tanta University*

1. Enhancement of the teaching environment & facilities.

- Renovation and equipping the operating rooms
 - Camera for microscopes
 - Camera for endoscopes
 - Ceiling camera
 - Head cam
 - Two computers
- Renovation of two teaching rooms with
 - Fore sealing
 - Air conditioning
 - Speaker stand
 - Sound system
 - Fixed data projector
 - Fixed desktop computer
 - screen
- Establishing of 3 examination stations in the out clinic for demonstrating real clinical cases to students
- Renovation of the project site in the out clinic containing
 - Library for all periodicals 1950-2096
 - Multimedia library (video ,CD'S)
 - Meeting rooms
 - Secretary room
- Closed circuit (wireless) between the operating rooms & teaching room for broadcasting live surgeries during teaching
- Establishment of the project website EMLU.TANTA.edu.eg containing:

- The details of the project
- All past examinations
- E.N.T atlas of disease
- Operations needed for teaching
- Schedule of activities
 - * Seminars
 - * Workshops
 - * Conferences
- News

2. Enhancement of the teaching quality :all the department staff applied the following:

- The course specification.
- Common reference book: all its income to support the scientific activities.
- New teaching methods.
- New assessment methods.
- Stimulation of the students by doing projects and presentations.
- Teaching clinical skills during seeing real patients.
- Teaching surgical skills in the operating rooms.

3. Enhancing the student rights(900 student /year)

- Teaching in suitable places provided by all technical and scientific tools.
- Increasing the interaction between students and the dept. staff members
- Motivations for the best project researchers in every group.
- Free CD for every student containing:
 - *All instruments
 - *Atlas of diseases
 - *All past examinations
 - *All spots needed in examination

4. Future steps:

- Broadcasting of operations to the teaching rooms during seminars, workshops& big meetings.
- Uploading the website of the project (emlu.tanta.edu.eg) by all department activities and surgeries to be seen by all universities.
- Establishing the EMLU site to be the centre for continuous medical education (CME) for the E.N.T serving all the national graduates and steps to gain accreditation for it to give accredited CME hours.

- Regular and scheduled meetings allover the year for all the national graduated doctors

*Seminars

*Workshops

*National meetings

* International meetings(will be on the website of the project soon)

Summary of the project outcome

- Enhancement of the teaching environment.
- Enhancement of the teaching facilities.
- Enhancement of the teaching quality
- Enhancement of the student's rights.

So this Dept. project is an ideal model to gain accreditation. This model must be generalized for the rest of the faculty.

The wonderful motivated team
