**18-19
APRIL
2024**

Welcome Massage

Dear Esteemed Participants & Guests,

It is with great pleasure and anticipation that we extend to you a heartfelt Welcome for the **23rd Tanta Pediatric Conference 2024**. As we gather for this prestigious event, we are thrilled to embark on a journey that not only

Celebrates the field of general pediatrics but also dives deep into the various pediatric subspecialties that shape the landscape of pediatric medicine. This year's conference is designed to be a comprehensive exploration, covering a diverse

Range of pediatric specialties, including but not limited to pediatric Hematology, Neonatology, Neurology, Cardiology, Hepatology, Endocrinology, Genetics, Critical Care & Nephrology.

Our program is carefully designed to offer a holistic view of the advancements, challenges, and breakthroughs across these vital domains. This interdisciplinary approach is a testament to our commitment to providing you with an attractive and enriching conference experience.

The 23rd Tanta Pediatric Conference 2024 is not just a meeting; it's a convergence of minds, a celebration of diversity in pediatric medicine, and an opportunity to foster connections that will propel our collective efforts forward.

Sincerely,

Conference President

Mohamed El-Shanhory
